**"We hope you can join us as we

Genesis Presbyterian."**

Being Real, Relevant, and Racially Diverse!

PRAYER AND PRAISE

- ⇒ Praise for the student who received the first Rev. James Hickson Lee Scholarship at Austin Community College. She is a grandmother who graduated in the fall with a 4.0 average and plans to go on to a four-year school. The next scholarship will be awarded this fall.
- ⇒ Prayers for Megan, a longtime friend of Randy's who was recently diagnosed with stage II lymphoma.
- ⇒ Lift up Nathan, a young man undergoing surgery this afternoon after being elbowed in the face while playing basketball.
- ⇒ Prayers for discernment as Robert considers career options that will benefit his family by reducing his 24/7 commitment.
- ⇒ Thanksgiving for Caly's continued progress healing without pain meds following her surgery.
- ⇒ Lift up Caly's boss David who has suffered recent losses, including his mom due to cancer.
- ⇒ Prayers for Cathy whose department chair work often feels overwhelming.
- ⇒ Praise and thanks to God for Danita's wonderful sermon and prayers for God's help for this church to become what God calls us to be.
- ⇒ Lift up son-in-law Zach whose grandmother died suddenly this past week; thanksgiving that Debbie could join the family in Dallas for her service.
- ⇒ Raise up all caregivers who seek God's strength and support. As a chaplain in hospice, Jeff sees the kindness people give to their fellow man and woman, whether related or not, and it's a way of restoring his own hope to see good people trying to be their best for others. Thanksgiving to God for allowing us to be kind to one another.
- ⇒ Thanksgiving for the successful 20-minute home health inspection for Kimberly and Jimmy as they look forward to finishing up remaining steps in the process to foster a medical needs child. Praise for Jimmy's mother-in-law "who rocks"—and has helped them so much.
- ⇒ Prayers for all who are ill in this flu season, including Rex, Trish, and Geo. Praise that 7-yr-old Arden recovered quickly from her recent flu because she is still in a window of vulnerability following her heart surgery in 2017.
