PRAYER AND PRAISE

*Our children and their children will get in on this
As the word is passed along from parent to child.
Babies not yet conceived will hear the good
news that God does what he says.
- Psalm 22:30-31 The Message*

- ⇒ Lift up Roxann, who suffered a seizure on Thursday, received treatment in the E.R., and is now recovering at home with Denise's help. Prayers for healing.
- ⇒ Prayers for a Round Rock officer in critical condition this morning after being struck by a vehicle while attending an accident in which a pedestrian was killed. Prayers for the families involved and for our first responders who regularly put their lives on the line for others.
- ⇒ Praise that Gianna is recovering from a sprained pinkie finger.
- ⇒ Lift up Anayah who suffered a concussion; prayers for her healing and protection from future concussions.
- ⇒ Special prayers for our nation's issues that seem beyond human solutions and for our world. Prayers of healing for all shooting victims, and prayers for shooters whose hearts need softening.
- ⇒ Thanksgiving for the time Mary spent with two special girlfriends and for the perspective she gained from their difficulties, reminding her how fortunate she is to be married to Randy. Praise for their 17th wedding anniversary yesterday! Lift up one friend for health and safety as she has a heart condition and anticipates separating from her spouse in May. Lift up Christian competing in San Antonio next weekend, and prayers for Angel's dance performance this Friday night.

PRAYER AND PRAISE

- ⇒ Thanksgiving for answered prayer for Robert following his successful interview for a new job. Prayers for his meetings this week with his current HR and management and for a smooth transition.
- ⇒ Praise and blessings for two of Rey's childhood friends who have recently accepted Jesus as their Savior.
- ⇒ Praise for Danita's daughter Ivy and son-in-law Dwight working together in spite of their separation to put their children first. Prayers that their hearts may be softened to continue working together for the sake of Donovan and Iyana.
- ⇒ Thanksgiving for the completion of Kimberly and Jimmy's final home study that lasted 4 hours. Praise for the opportunity to shadow a local medical needs foster family who have taken in 600 children over the past 40 years and currently have 9 children, and whose own daughter is stepping into her parents' shoes to manage the home. Praise for foster families who make huge differences in children with medical needs—who, like Jesus, leave the 99 sheep to tend to the one in need. Prayers that additional families in the area will be available for Kimberly and Jimmy to shadow as they await their own assignment of a child with medical needs.
