Oh Lord, you are our light and our salvation. We are not afraid of anyone or anything because we know we are in your care. When terrible things happen, we put our trust in you and we know you are with us always. Help us to see you at work in our lives. We pray for people who are suffering or scared, sick or sad, wrap your arms around them, give them healing, and keep them safe. We pray that everyone would be able to sing your praises and tell that you have done wonderful things for them. Lord God, show us how to care for others and how to follow you. Help us to live as your disciples for as long as we live. In Jesus' name we pray. Amen.
